Sub: **Clarification in regard to ETA issued under the purview of Gazette Notification  
No. G.S.R. 564 (E) dated 30<sup>th</sup> July, 2008.**

Sir,

I am directed to draw your kind attention towards this Ministry's letter of even no. dated 4<sup>th</sup> July, 2018 (copy enclosed for ready reference) and it is once again reiterated that low power Wireless Equipments/devises operating in 865-867 MHz band with maximum transmitter power of 1Watt, Effective Radiated Power (ERP) of 4 Watts and carrier bandwidth of 200 KHz only may be considered for Equipment Type Approval (ETA) as stipulated by Gazette Notification No. G.S.R. 564 (E) dated 30<sup>th</sup> July, 2008.

2. Further, it is also notified that any ETA issued in contrary to above, stands null & void. No Import License shall be issued on the basis of those ETAs.
3. Owner of equipment/devises not conforming to above Gazette notification shall obtain Non-Dealer Possession License (NDPL) as per extant rules and they will not be allowed to operate the same.

The above is for strict compliance by all concerned.

Encl: As above
